Dear Parent(s),

I would like to bring the following to your attention in this December newsletter.

Christmas Concert

The children gave a wonderful performance last night. We hope you enjoyed the 4 excellent plays along with a brilliant music and song finale. We were very proud of the children's performance on the night. It was a fantastic production from all involved.

Our Christmas Concert is a great tradition in Toonagh NS and the children gain lots of confidence from going on stage and performing for you all. We are very fortunate to have such enthusiastic and talented teachers here in the Toonagh and without them this concert would not have been possible. The teachers deserve great credit for all the hard work they put in with the school children in the lead up to our Christmas Concert and it was a wonderful night for our school community.

Christmas time in the school

Christmas is a very special time in school for the pupils. The teachers and SNAs are involving the children in Christmas events and activities such as fun Advent calendars, Christmas baking, wreath making, flower arranging, Christmas Art and Crafts. You will notice the windows of our school very nicely decorated and painted for Christmas and well done to the children in 1st – 6th class for this very nice art work.

Children can wear their Christmas jumpers or anything Christmassy to school from Wednesday onwards next week and Santa will also be visiting our school on Wednesday next week. As part of our Active Schools programme, we will be taking part in some healthy activities including a Santa dash/run on Friday 19th in our all-weather pitch. Thanks to all the staff in the school for making Christmas a special time for the children in Toonagh NS.

Hot School Meals update

In line with national requirements, the school published a call for tender for the contract starting January 2026. We are pleased to announce that the school meals provider for Toonagh NS is Bradbury Connolly Catering Ltd. We have been given a start date of Monday January 26th. From this date onwards pupils will receive a hot meal at school. They will be in contact when we return to school in January with menu details and how the ordering will take place.

Reading in Toonagh NS this Term

There is great reading going on in the school and most importantly pupils are reading at their correct instructional level. Please make sure that your child practices their reading each night. We have made a lot of investment in books including a school library in our GP room, PM Levelled Readers from levels 1 to 30, Novels for Guided Reading and new books for Accelerated Reader. Improving the children's reading and literacy skills is key to their learning and wellbeing in school.

Children from 1st- 6th class have been taking part in the Motivational Levelled Reading programme **Accelerated Reader (AR)** this term. The children have really taken to AR and there is great evidence of independent reading going on in the school. So far this year children in Toonagh have read an amazing 1455 books and 12 million words which is fantastic reading!

Literacy Lift Off is a levelled reading programme for the younger classes which gives pupils lots of opportunities to read books at their own level of competency. This excellent reading initiative has been going on in 1st and 2nd this term and the children are making great progress with their reading and writing on the programme. The children read 2 books a week at their own level, the books are from the PM Levelled Reading Scheme. Ms. Garrahy and Ms. Griffin are coordinating this and well done to all the children who are engaging greatly with this reading programme.

Ms. Browne's Senior Infants are reading **PM levelled readers** each day. The children are reading at their instructional level and they are progressing very well with their reading through achieving success and understanding.

The children in 3rd-6th have been taking part in **Guided Reading** this term in school. Guided reading is an instructional approach that involves the Class Teacher and Special Education Teacher working with the students in small groups, they read a class novel at their own level and learn specific comprehension strategies daily. This small group intervention has worked very well in 3rd – 6th and the children really enjoyed the novels that they have read this term with Ms. McGinley, Mr. Eustace and Mr. Roughan.
